TSUKATANI HAMONO Mfg. Co.,Ltd.

How to order the Flexible Pinnacle Die

Fill requirements and fabrication drawing in the thick frame of Flexible Pinnacle Die order sheet and send to Head Office Sales Department by e-mail.

Fill requirements and fabrication drawing in the thick frame of the order sheet and send it by e-mail. 2

Tsukatani make a drawing according to your order.

The drawing is sent to you by e-mail.

Please check for our mutual confirmation.

4

Once your confirmation arrives,

Tsukatani manufacture your flexible pinnacle die.

Give us directions on the cutting die line by any of the following methods:

- ① CAD data of DXF or DWG type
- 2 Data of either EPS or Al formats of Adobe Illustrator
- 3 Dimensional drawing by fax
- 4 Positive film for plate making, art work and punching sample (in the case of positive film for cutting die, about 0.2 mm line width is necessary).
